Hi Sonya!

I have the updated list for the clinics that we are working with. I have indicated if they are HTW or FPP clinics. Most of them are both. We are still waiting on application approval for the Rio Grande Clinics but I included them.

Please see the attached and let me know if you have any questions. We have a couple of clinics that have been removed but we notified that they were not in our group any more. They were not in the set of papers that you sent to me to verify clinics.

Please let me know if you need anything further. Have a great evening!

Thank you,

Toni
